BEARS HIT HARD AND BEAT CRABS BY 8 TO 3 SCORE

By Associated Press SAN ANTONIO, TEXAS, Aug. 31.—Three errors by catcher, timely hitting and good fielding by San Antonio gave the Bears the first game of the series with Galveston here today, 8 to 3. McGrew, who lasted four innings on the mound for the Standards, was wild, walking six men. Of the crucial series from Fort Worth here this afternoon by a score of 6 to 1. Although Sewell and Hollingsworth were hit hard, the Cubs were unable to break the lead with men on the base, Sewell gave way to the pitcher Sewell for better in the fourth inning. The latter pitched a gem, Sewell made a home run and a triple, the crowd drive coming with two on base in the first inning. The Standards scored on the sixth on Clark's single and Miller's three-bagger. Two more came for the visitors in the sixth, when Miller singled, Granger doubled and Walker singled. Fort Worth scored one in the last. Taylor drove a run, Sears singled, Stillman was safe on a fielder's choice and Kraft scored Taylor with a single to right. Moore led off in the seventh with a single to center. Fielder singled and both runners scored on a single. Kitchens scored on a lead single. Hollingsworth went home to think where he scored from on Taylor's sacrifice fly to left. With one down in the sixth, Stillman and Kraft singled in succession and Stillman scored on Miller's double. COTTON OUTLOOK GROWS WORSE IN SOUTHERN BELT

By Associated Press WASHINGTON, Aug. 31.—The national weather and crop bulletin issued today by the United States Department of Agriculture says: "Little or no rain fell in most northern, central and western parts of the cotton belt. Scattered light to moderate showers occurred from Central Texas eastward to the Atlantic Coast. The temperature was below normal in the eastern part of the belt; above normal, or slightly above in the central and southern parts, and much above in the northwestern part. "Cotton deteriorated in most of Oklahoma and much of Texas. Progress during the week was rather slow in other portions, except in Tennessee, Northern Arkansas and Southern North Carolina, where the weather was fairly favorable. Bolls opened rapidly, and picking and ginning were in progress in all southern and some central portions of the belt; this work made rapid progress in Texas. The condition of the crop continues poor in most of the cotton states. Shedding was reported in Oklahoma, Alabama and Central Northern North Carolina. Weevil activity was retarded by dry weather in Florida and Texas, but insect damage continued except in the northern portions of the belt. Army worms are reported in Arkansas." The temperature averaged unusually high in the principal cotton growing districts, and the crop matured very rapidly, according to the bulletin. More rain is needed for late corn in many southern states. Good progress was made in harvesting rice in the lower Mississippi Valley and Western Texas, while the crop was heading and the progress was very good in Arkansas.

DELVILLE MAN SAYS THEY SAT UP WITH HIM ALL NIGHT LONG

"When a man has spent hundreds of dollars like I have for medicine and treatments that do him no good and then gets entire relief by taking a few bottles of Tanlac, it's time for him to talk for the benefit of others," said C. W. Goodman, of Delville, Texas. "I just can't describe the way I used to suffer from acute attacks of indigestion. The last spell I had the folks had to sit up with me all night and give me everything they knew about, but in spite of it all it looked like I couldn't live. After one of these attacks would pass I would be so weak I wouldn't be able to work for three or four days. I lived on raw eggs for four months and lost weight until I weighed only 105 pounds. I spent hundreds of dollars for medicines and went to health resorts, but nothing did me any good. "Since taking Tanlac I feel like a new man. I eat anything I want now and never have an attack of indigestion. I feel a hundred per cent better than I have in fifteen or twenty years, and I think Tanlac is the best medicine ever made." Tanlac is for sale in Amarillo by the Handel Drug Co.

BOXING TICKETS GO ON SALE AT 3 STORES TODAY

BELIEVE CARD WILL BE BEST STAGED YET THIS YEAR.

Tickets for the boxing card to be given Monday night in connection with the Labor and Industrial Show will be placed on sale today at the 224 Barber shop, N. W. Electric company and Amarillo candy store. It is expected that the advance sale of reserved seats will be heavy, as all local fight fans are now agreed that the card will be the best of the year. Salter Smith, Carl Robinson, Jr., and Bob Iyer all took strenuous workouts yesterday, and they are now in tip-top shape, they say. Smith's opponent in the main bout, Shifty Keith, is training at Hereford. Shifty Turner, Dyer's foe, is taking his training on his home doorstep at Clayton, and hitting Caldwell, who is matched with young Robinson, is polishing the country come on a ranch eight miles from Amarillo. The two news heavyweights who will weigh in on the main card are looking for a fight with Jack Johnson ever did, and are working hard. Their battle is expected to result in much sweat and hair and free-flowing of the shirt. Kid Moore, a 150 pound kid who is with the athletic club with the Division Amusement company which will furnish the carnival attractions for the Labor and Industrial Show, arrived yesterday and is anxious to get a match for the card which young Robinson expects to stage Saturday night. He claims to have had years of experience, and guarantees to please, so Robinson is anxious to match him.

FLOYDADA POUNDS LEFTY WILSON HARD BUT LOSES ON OWN ERRORS

Special to The News FLOYDADA, Aug. 31.—Floydada pounded Lefty Wilson, the premier pitcher of the Amarillo squad, hard today, but lost through their own errors by a score of 12 to 7. It was a wild and wildly exhibition, with errors coming almost as often as hits. But the visitors got the jump and in the first two innings piled up a seven run lead. Their battering spree in the second was topped off when Wentz got a three bagger with two men on base. Wilson was not working up to his usual form, probably due to the absence of his battery mate, Joe Lewis. In both the second and third the local swatters scored a couple on mixtures of hits and errors and in the eighth they started a rally which threatened to tie the score. Three hits combined with two errors in that round were good for three tallies, making the score 9 to 7 for the visitors. In the last inning Amarillo added three more runs to clinch their lead. Rising Costs Force 4,000 Newspapers To Quit Publication

The Wilesley (Ont.) Maple Leaf has ceased publication. In its farewell notice, H. W. Kaufman, the publisher, said: "After a struggle of over twenty-one years, the Maple Leaf goes the way of most small country papers during the past four years. During those four years the cost of production has increased from 200 to 300 per cent, while the income is practically the same. This has caused the suspension or amalgamation of over 200 newspapers in Canada during the past few years. "The reason the newspaper graveyard is so full is shown by an editor who has been investigating the cause of the high mortality. He figures out that in 1907 average cost of 100. In 1914 they had advanced to 175, and in 1921, the figure was 292. Newspaper from 1907 jumped to 177 in 1914, and to 423 in 1921. Newspaper postage, which cost the normal of 100 in 1907, was 147 in 1914, and 227 in 1921. Ink was 100 in 1907; 200 in 1914, and today stands at 331. Editorial expense advanced from 100 in 1907 to 120 in 1914, and 241 in 1921. Miscellaneous expenses went from 100 in 1907 to 125 in 1914, and to 244 in 1921. In taking the average of all these, the average or index number of 1907 was set at 100. It was found that while the cost in 1914 it was 159 and in 1921 it reached the high mark of 411. "More than 4,000 newspaper publications have thus gone out of existence in the United States and a corresponding number of them in Canada."

MEMPHIS AND BEARS MAY PLAY IN MEXICO

DALLAS, Texas, Aug. 31.—A post-season series between the Dallas and San Antonio Texas League clubs as the baseball feature of the centennial celebration in Mexico City the latter part of September is assured if the arrangement of the exhibition will guarantee the expenses of the two teams. Tom Hamill, president of the Dallas club, and acting for the San Antonio club, is awaiting acceptance of these terms by Bruno Newman, manager of the exhibition, who, at the insistence of Wilbur Keith of Dallas, issued an invitation to the clubs last week to play the series.

BOOK PROBLEM IS WORRYING ROSWELL

Special to The News ROSWELL, N. M., Aug. 31.—The Roswell board of education held a special session last night to confer with the committee on text books appointed at the mass meeting held last week to discuss the matter of the use of the new books adopted by the state board of education last December. The committee failed to submit to the school board a plan which the school board thought feasible for making possible the use of part of the old and part of the new books. However, the board has taken the matter under advisement and as soon as the city superintendent of schools and the board can arrive at a plan whereby some of the old books can be used without affecting to any appreciable extent the efficiency of the city schools, it will be adopted by the board.

SHAW REFUSES TO ADDRESS UNION MEN

By Associated Press CHICAGO, Aug. 31.—George Bernard Shaw, British author and playwright, has declined an invitation to address the Chicago Federation of Labor picnic on Labor Day. "I do not think your federation can gather a complete notion of European conditions from any one person," Mr. Shaw wrote. "If you could get a series of addresses from England and all the countries of Europe, bearing all sides, and especially the side of the existing governing classes, which labor misunderstands and leaves contemptuously out of account until it is suddenly carried away by it into a war, then labor would begin to know its way about in questions of foreign and military policy. "At present it is so ignorant and consequently helpless when a crisis comes that nothing is easier for a government threatened with labor legislation than to cut the workers of the world in cutting one another's throat furiously, and to make a great deal of money out of the progress into the bargain."

BARTON LETS OUT RANGERS.

By Associated Press AUSTIN, TEXAS, Aug. 31.—Adjutant General Barton announced today the names of fourteen Texas rangers who are to be relieved from duty tomorrow.
